Group bookings are subject to different rates, payment terms and cancellation policy. Even if the vehicles are booked on different dates but travelling together Apollo reserves the right to apply group booking conditions afterwards.

Group Conditions are subject to change without notice.

Multiple Rentals

Consecutive Motorhome/Campervan rentals can be combined to qualify for a long-term discount rate. Rentals in the United States of America, Australia and New Zealand on Star RV, Apollo, Cheapa Campa and Hippie Camper can be combined to obtain a long-term discount rate, providing travel is within a 3 month period. If drop off of a vehicle and pick up of a new vehicle occurs on the same day then a day each will be charged per respective vehicle. Multiple rentals are treated as separate rentals under the one way fee and minimum rental period conditions. This discount does not apply to completed bookings.

Travel Restrictions

Apollo reserves the right at its sole discretion to restrict vehicle movements in certain areas due to adverse road or weather conditions, and the distance to nominated destinations in relation to the length of the rental period.

Death Valley

Vehicles are not allowed to operate in Death Valley during 15 May to 15 September due to extremely high temperatures, which can cause system failures. At other times guests visit these areas at their own risk and are thus responsible for all recovery and other charges. During certain periods these areas are not habitable and could pose a danger to the driver and passengers.

Mexico, Alaska, Yukon and Northwest Territories & Newfoundland

Travel to Mexico, Alaska, Yukon and Northwest Territories & Newfoundland is strictly prohibited.

Manhattan

Due to restrictions on vehicle heights, propane gas and parking, vehicles with propane are not permitted in Manhattan and are not permitted to travel through any underground or underwater tunnels.

New Jersey State Rental Security Fee

A surcharge of \$5.00 per night (maximum \$90.00 per booking) applies to all rentals picking up from the New York branch.

Change of Drop Off Destination

If the renter wishes to change the drop off destination after the rental has commenced, they first must obtain authorisation from the Apollo Head Office. Subject to the change being approved, a minimum additional charge of \$700 will apply.

Winterization

All motorhomes must be winterized when travelling in freezing conditions. This includes the water pipes, toilet, fresh water tanks, sinks, shower, water filter, water heater and all holding tanks. Winterization requires that the water be drained from the fresh water tank, water pipes, water filter, water heater and all waste tanks.

Once the vehicle is winterized, no water can be put into the fresh water tank and cannot be hooked up to the city water supply. Therefore, no water is available in the motorhome. The toilet can be used only if non-toxic RV antifreeze is used to manually rinse and flush. Vehicles picking up from a branch where the temperature is 35 degrees Fahrenheit or below will be winterized.

It is the renters' responsibility to have the vehicle winterized while on a trip at his/her own expense should the weather conditions require. The renter is also financially responsible for having the vehicle re-winterized on the return trip if the vehicle was winterized at the time of pick-up. A

US\$150 re-winterization fee will be charged by Apollo Motorhome Holidays if the vehicle is returned non-winterized when the temperature is 35 degrees Fahrenheit or below.

The renter will be fully responsible for any damages to the plumbing and water systems caused by freezing during their trips

Repairs

Although we run late model vehicles, it may happen that small repairs are required. Repairs up to \$100 may be affected without authorisation and will be reimbursed unless the damage is caused by the renter. For amounts over \$100, Apollo will need to be informed in advance. All vehicles are covered for 24hr emergency roadside assistance.

Infringements and Administration Fees

Apollo reserves the right to charge the renter for any speeding, toll way or parking fines not reported on return of the vehicle. In addition to these costs, Apollo reserves the right to charge for associated administration costs for processing the fines (irrespective of excess). An administration fee of \$75 per fine will be applicable.

PlatePass – US\$5.99 per night (max. 10 nights) plus toll costs

Apollo has partnered with PlatePass to provide electronic tolling for our guests. Save the hassle of stopping for tolls or figuring out how to pay for tollways that have converted to All Electronic Tolling. Simply add the PlatePass option for \$5.99 per day (max 10 nights) plus toll costs to avoid the hassle.

Change of Vehicle

Should the vehicle booked be unavailable through unforeseen circumstances, we reserve the right to substitute an alternative vehicle without prior notification and at no extra cost. This shall not constitute a breach of contract and does not entitle the renter to a refund.

PROTECTION PACKAGE

Public Liability Insurance

The public liability insurance is included in the nightly rental rate. Apollo is insured for damages to third parties and/or their property. The public liability insurance that covers the registered drivers is only up to the statutory limit as stipulated by law of the State you are in at the time. This insurance amount is normally very low.

Supplemental Liability Insurance (SLI) - \$14.00 per night

Optional SLI provides the Clients with an increased limit of liability protection for 3rd party damage claims up to US\$1 million.

Property Damage

The renter is responsible up to the amount of \$1,500 for the cost of damage to the rented Vehicle. The renter is also responsible for the cost of demurrage for the period the Vehicle is unavailable due to repairs. The Liability is applicable regardless of who is at fault and must be paid at the time the accident is reported to Apollo, not at the completion of the rental Period. In addition to the Liability an administration fee of \$75 will be charged per claim.

Standard Liability

Apollo's rental charge includes a Standard Liability of \$1,500.

A Bond of \$1,500 will be collected at the time of entering into the Rental Contract. The \$1,500 will be debited to the credit card account immediately. An administration fee of \$30 applies.

Collision Damage Waiver (CDW) - (Included in the Value Pack)

A US\$0 (zero) responsibility applies. This option can be purchased by paying to Apollo US\$15 per night.

- The maximum amount payable for this option per rental is US\$600 – i.e. 40 nights rental.
- The minimum amount payable for this option per rental will be based on the minimum rental period applicable for your rental (i.e. 7 nights for rentals during the high season).

CDW protects against:

- Accidental damages
- Windscreen (1 windscreen covered per rental) excludes Elite Traveller
- Protection against theft and graffiti
- Protection against uninsured motorists
- Tyre damage (2 tyres covered per rental)

A Bond of US\$500 will be collected at the time of entering into the Rental Contract. This Bond is payable to Apollo by an open signed credit card imprint with an authorisation obtained (sufficient funds must be available) for US\$500.

Bond

For security purposes, only a credit card can be used to provide a Bond. The credit card holder must be present and able to sign for the Bond upon vehicle collection. The credit card holder is jointly and severally liable for any damage to the rental vehicle.

The Bond is fully refundable when the vehicle is returned to the correct location on time, is full of fuel and all other terms of the Rental Contract have been complied with. If there is damage to the

vehicle on its return, the Bond will be used to cover the cost of such damage up to the amount of the relevant Liability. However, if the terms of the Rental Contract are breached and the Bond is insufficient to cover the damage then any extra cost will be charged.
