## General Information

**For any relocation bookings please refer to the terms and conditions found on page 12.**

Here are the details you need to know when planning for the year ahead.

Valid 1 April 2022 – 31 March 2023

For available products and vehicle specifications please visit our website at [www.apollocamper.co.nz](http://www.apollocamper.co.nz)

- Rental days are calculated per calendar day. The day of pick-up is calculated as the first day of booking and the day of return is calculated as the last day of booking.
- Rates are in New Zealand dollars and include 15% Goods and Services Tax.
- Rates reset after 7 days.
- Not all rates and terms apply to group bookings. Group bookings consist of 4 or more RVs travelling together and should be directed to [info@apollocamper.com](mailto:info@apollocamper.com)
- For ease at pick-up please specify the correct number of guests (and ages of children if applicable) and include correct guest contact details and name on all bookings.

### Driver Licence and Minimum Age

- For the safety of our guests a current and full motor vehicle driver licence is required to be shown at pick-up and the driver needs to be present. If the driver licence is not in English then we require an accredited English translation or an International Driver Permit. We do not accept Digital Driver licences.
- UK driver licences that have had approved extensions by the UK DVLA (Driver and Vehicle Licencing Agency) can still travel for up to 11 months past the licence expiry. This extension only applies to full GB driving licence holders. It does not apply to provisional driving licence entitlement.
- StarRV, Apollo and Cheapa Campa drivers must be over the age of 21, have held a licence for at least two years and the licence must be valid for the entire booking duration.
- Hippie drivers must be 18 years of age or over with a full driver licence or hold a restricted licence or equivalent.

## Road User Charge Recovery Fee

The cost of using New Zealand's roads is recovered from road users via levies in the price of some fuels or through road user charges (RUC). The Road User Charge Recovery Fee will be calculated and collected on return of the RV based on the kilometres travelled during the hire. The fee per 100km is as follows:

- 2 Berth S/T: \$7.60
- 4 Berth S/T and 6 Berth: \$8.02
- Will not apply to any Hippie rentals.

We reserve the right to amend the Road User Charge Recovery Fee upon Government intervention.

## Kilometres

Please don't underestimate the time it will take to get from one point to another. While our RVs include unlimited kilometres, we recommend travelling a maximum of 300 kilometres per day or the equivalent of 4-5 hours driving. ## Booking Alterations

We understand that sometimes plans change. If this is the case, any changes made to a booking will be calculated by using the higher one of two rates, either the original Rate or the Rate current at the time of booking alteration.

The following are considered as a booking alteration:

- Change of name
- Change to pick-up or drop-off dates
- Change pick-up or drop-off branch location
- Change of RV category
- Change of rate scheme including special rates

If the rate scheme or RV category is changed, this is considered a new booking and cancellation fees may apply to the original booking.

If there are any last-minute alternations made within 14 days of pick-up, we will be happy to accommodate these depending on availability. However due to the short notice if the holiday is shortened the number of days originally booked will be charged.

If the pick-up or drop-off location is altered within 14 days of pick up, a change of location fee may also apply.

## Change to the Drop-Off Location after Pick-Up

If you wish to change your drop-off destination after pick-up, please get in touch with our friendly Reservations team who will be happy to help. Our team will advise if the change is possible and the applicable fee.

## Extending a Road Trip

If you get swept up in the adventure of a road trip and want to extend your booking whilst on the road, first contact our friendly Reservations team who will be happy to advise if the extension is possible, and the associated costs. To secure an extension, the extra costs (calculated on the current rate of the day), will need to be paid by credit card inclusive of all taxes and surcharges, either over the phone or at an Apollo Branch at the time of extension. Any long-term discounts in place will continue to apply to the booking.

We will always do our best to accommodate any extensions however it is subject to vehicle availability.

## Change of RV

We understand guests' needs are different and therefore our RVs can be requested by category, however not by make or model. We always do our best to accommodate requests, however should the RV booked be unavailable due to unforeseen circumstances, we will substitute the booked RV with an alternative available RV at time of pick-up, at no extra cost. Any changes made to the booked RV and agreed to by the guest do not entitle the guest to a refund.

In the event of no alternative RV being available for the guest, Apollo's liability is limited to a refund of the hire charge or in the case of mechanical failure (unless caused by the guest), the remainder of the hire period.

## Bond

The Bond payment will depend on the Liability option chosen. If the guest chooses an option where the bond is a charge, the total Bond will be debited to the credit or debit card immediately.

If the guest chooses an option where the Bond is an imprint, the Bond is payable to Apollo by an open signed credit card imprint with an authorisation for \$250. The credit card holder must be present to sign for the Bond when they pick-up the RV and is liable for any damage to the RV.

The Bond is fully refundable provided terms are met. The RV simply needs to be returned to the booked Apollo branch location, on time, full of fuel and with the toilet cassette and grey water tank emptied. Credit card refunds (including Bond refunds) can take up to 14 business days depending on the guest's financial institution.

If there is damage to the RV on its return or any other terms of the rental contract have not been met, the Bond will be used to cover the cost up to the amount of the relevant Liability. If the terms of the Rental Contract are not met and the Bond is not sufficient to cover the damage, extra costs will be charged.

If a guest is continuing on with another Apollo RV booking, the Bond can be transferred to the next booking within New Zealand.

## Travel Insurance

For peace of mind, we strongly recommend that all guests take out the highest level of private travel insurance.

## Personal Injury

The RV has Third Party insurance cover and it is likely that any other vehicle involved in an accident also has Third Party insurance. Depending on the circumstances of an accident, the guest may be entitled to claim for their personal injury against the Third Party insurance of the party responsible for the accident. The extent of such third-party insurance varies in different States and Territories and Apollo strongly recommends that all passengers take out their own Personal Injury Travel Insurance.

## Property Damage

The RV is insured for damage to it and damage to the property of a Third Party. The guest is responsible up to the amount of the applicable Liability and it applies for damage to third party property, or to the RV. The guest is also responsible for the cost of the daily rate for the period the vehicle is being repaired. There is no refund for unused portion of the rental period. The Liability applies to each claim, not RV.

The Liability is applicable regardless of who is at fault and must be paid at the time the accident is reported to Apollo by telephone on a credit card, not on return of the RV. Apollo reserves the right to charge the guest for any RV damage including Third Party property damage not reported but identified on return of the RV.

## Repairs

We understand that while on holiday the RV may require small repairs. To avoid further disruptions to the road trip, if the damage was not caused by the guest, repairs up to \$100 can be completed without authorisation and will be reimbursed. If repairs over \$100 are needed, the Apollo Assist team should be informed prior to any repair being completed. Unauthorised repairs are not permitted.

All RVs are enrolled in the New Zealand Automobile Association and 24hr mechanical emergency roadside assistance is available if needed please contact Apollo Assist on 0800 234 567.

## Additional Charges and Discounts

### Animals

We believe fur friends can only make a road trip better. Pet dogs are allowed to travel in Apollo, Cheapa Campa and Hippie vehicles with written permission from Apollo at the time of booking. There is a \$200.00 pet cleaning fee (excluding service animals). Our full policy can be viewed on the Apollo website. Pet dogs are not permitted in StarRV RVs. Service dogs are permitted in all vehicles.

## Infringements, Tolls and Fines

Apollo will pass on any charges the guest receives for traffic infringements, toll or parking fines during their road trip. For Toll Way fees received, Apollo reserves the right to charge to the guest's credit or debit card upon receiving the toll way fee, and an administration fee of \$75 to cover associated administrative costs per toll way fee received.

Apollo offers guests the option of purchasing our Toll Package for \$19 which gives guests a \$30 'toll credit'. When travelling through toll ways the credit will be used up to the value of \$30. Once \$30 is exceeded, another toll package will be automatically charged to the guest's credit card. (a .75c registration matching fee applies within the \$30 credit).

## One-way Bookings

Road trips don't always finish where they start, and some of the best adventures take you far and wide. If a guest drops off at a different branch location from which they picked up, a seven-day minimum booking period and \$150.00 one-way fee applies.

## Discounts

Guests who love road trips as much as we do and travel for more than 21 days receive 5% off daily rates. This is also available to guests with multiple bookings that total 21 days or more.

Planning early pays off! When you book more than 180 days prior to pick up, you receive a 5% Early Bird discount on all brands.

The Early Bird Discount and Long-Term Discount can be combined to get an even better road trip deal.

## Multiple Rentals

We love to reward our long-term road trippers so consecutive rentals, within a 3-month period, in United States of America, Canada, Australia, New Zealand, Germany, France, the United Kingdom and Ireland on StarRV, Apollo, Cheapa Campa, Hippie, Canadream and Bunk Campers can be combined to obtain a long-term discount. If drop-off of one RV and pick-up of a new RV occurs on the same day then a day will be charged for each RV. Multiple rentals are considered separate rentals under the one-way fee and minimum rental period conditions.

## Travel Restrictions

Not all RVs are suitable for all driving situations, so it's important the right RV is chosen for the travel planned. Apollo, at its discretion, may restrict RV travel in certain areas due to adverse road or weather conditions, and the distance to nominated destinations in relation to the length of the rental period. If applicable, any further restrictions will be mentioned at pick-up. Guests are encouraged to contact Apollo Assist on 0800 234 567 for any concerns regarding road accessibility.

For the safety of guests, the following travel restrictions are in place:

- All RVs can only be driven on sealed/bitumen roads. The only exception to this is the loose road surface on any major ski field access roads or any recognised campground access road less than 10 kilometres in length.
- No RV shall be driven on Skippers Road (Queenstown), The Crown Range Road/Cardrona Valley Road (between Arrow Junction to Cardrona), Ninety Mile Beach (Northland), Ball Hut Road (Mt. Cook), Wanaka – Mt Aspiring Road beyond exit to Treble Cone, The Forgotten Highway (State Highway 43 from Taumaranui to Stratford), and North of Colville and Waikawau Township (Coromandel Peninsula).

Guests who travel to restricted areas without permission will void all Liability cover in the event of damage or accident, and may be subject to a penalty fee of \$300 charged on each identified occasion.

## Picking Up and Dropping Off Your RV

### Branch Hours and Public Holidays

The below table details the specific hours for pick-up and drop-off:

Location	Dates/Hours for Pick-up and Drop-off
----------	--------------------------------------

After hours drop off available outside of this time

Our staff enjoy a holiday as much as you do and all of our branches are closed on public holidays including Good Friday (15 April 2022), Christmas Day (25 December 2022), New Year's Day (1 January 2023).

### Getting To and From the Airport

Branches are conveniently located near major airports, making pick-up and drop-off easy for our guests.

Apollo offers transfers free of charge with the Yellow Bus transfer service between Auckland Airport to our Auckland Branch. Guests will need to show their printed confirmation of their reservation to the driver. Bookings are not needed. More information on Auckland transfers can be found on:

<https://www.apollocamper.co.nz/locations/campervan-locations/auckland>

Free Christchurch transfers are with our own bus service which guests need to call the branch on arrival to arrange pick up once they have cleared customs. More information on Christchurch transfers can be found on:

<https://www.apollocamper.co.nz/locations/campervan-locations/christchurch>

Note: COVID19 has impacted our transfer options. Please contact Apollo Reservations directly for updated information regarding NZ transfers.

### RV Introduction and Show Through

At pick-up, our staff provide a thorough RV show through with all the necessary information guests need to know about the interior and exterior features of their RV. This ensures guests are comfortable and confident with their RV before they start their road trip.

To ensure guests have a thorough RV show through before starting their adventure, guests will need to pick up their RV from the branch by 4pm.

### Returning the RV

The RV is a home away from home and for comfort, we recommend it's kept tidy throughout the road trip. The RVs need to be returned to the branch as they were taken, with the interior cleaned and holding tanks emptied. The RV exterior does not require cleaning unless it's covered with excessive dirt or mud, making it difficult for our team to see its return condition. Drop and Go (included in StarRV) is available to be pre-purchased or added on pick-up at offer quick and easy return.

### Ferry Reservations

Ferry travel is required for guests moving between NZ's North and South Islands (and vice versa). Ferry reservations can be difficult to manage during high season. We recommend that a reservation is made for a 7.7m RV on the ferry, irrespective as to the size of the motorhome reserved, to avoid complications due to possible upgrades. Guests can book their Ferry reservations [here](#).

### Pre-register Online

Guests have the ability to register online in advance at [apollocamper.com/registernow](https://apollocamper.com/registernow). By completing the required pick-up information ahead of the pick-up date, guests will experience a smoother and quicker RV collection process. Guests will also be required to watch our Apollo safe driving video prior to pick up, and can access our 'How To Videos' through the Apollo Connect App prior to pick up to learn how to use their RV.

### Apollo Connect

For relocation bookings, the vehicles must be collected and returned to our branches (not airports). Transfers to and from the Apollo branch are not included in the rental price. It is the client's responsibility to get to and from the branch.

A current and full motor vehicle driver licence is required. If the driver licence is not in the English language then an international driver licence is also required. An accredited English translation will be accepted in lieu of an international driving permit. The driver licence must have been held for at least two years and be valid for the whole length of the rental. The original driver licence must be shown at time of pick-up when the driver is present. ### Kitchen and Personal Kits (Campervan and Motorhome relocations only)

Pillow cases, sheets, towels, duvets and covers are included in the price for relocation bookings.

### Payment to Confirm Booking / Cancellation Fees

Apollo requires full payment at time of booking. A minimum deposit of \$250 is required if the balance is lower than this. Any difference between the total cost and deposit of \$250 will be credited at check-in or can be off set with other pick up costs.

If you cancel your booking or fail to pick-up the RV you will be charged the following fees:

- if you cancel within 12 hours of making the booking but not on day of pick-up, no fee;
- if you cancel 12 or more hours after you making the booking but not on the day of pick-up, \$250; or
- if you cancel on the day of pick-up or you do not show up for pick-up, \$250.

Amending an existing relocation booking to a different relocation booking is considered a cancellation of the existing booking and cancellation fees apply.

There is no refund for late pick up or early return of RV.

### Travel Restrictions

For relocations, all vehicle types can only be driven on sealed/bitumen roads or well maintained access roads less than 500 metres long to recognized campgrounds. While you are on a relocation rental, if you are found to be driving on unsealed roads and/or driving in restricted areas, you will be fined \$1500 by Apollo, even if no damage has occurred to the vehicle. This applies to all relocations including relocation rentals where extra days have been purchased.

### Free Offers

Should the chosen relocation involve an offer / allowance, please ensure this is noted on your contract at pick-up. We will refund the fuel (receipts required), travel allowance (no receipts required) offered on return of the vehicle against receipts, up to the amount noted on the contract, onto your credit card. The receipts must clearly state the amount and item purchased, credit card receipts are not sufficient. These offers are only refundable when the vehicle is returned to the correct location on time, has not been involved in an accident, is full of fuel and all other terms of the Rental Contract have been complied with.

### Free Ferry /Ferry reimbursement offers

Should the chosen relocation involve a "free ferry offer", Apollo will reimburse the cheapest available ferry. Apollo pays for the ferry costs of the vehicle and the driver. Any passengers travel at the renters' expense.

Should the chosen relocation involve a "ferry reimbursement offer", please ensure this is noted on your contract at time of booking and at pick-up. Ferry must be booked using the Ferry booking link on the Apollo NZ page [www.apollocamper.co.nz](http://www.apollocamper.co.nz) or by using this link <http://www.apollocamper.co.nz/travel-info/ferry-booking.aspx>. By using this link Apollo will match your Ferry ticket to your booking, so no need to provide a receipt, ferry booking and relocation booking must be made using the same name.

"Ferry reimbursements" are only refundable when the ferry is booked via the link provided and the vehicle is returned to the correct location on time, has not been involved in an accident, is full of fuel and all other terms of the Rental Contract have been complied with. Apollo will reimburse the cheapest available ferry.
